CURRICULUM VITAE OF SHADRACK ASOMAH

WORK EXPERINCE

University of Energy and Natural Resources; Sunyani- Ghana

February, 2021 – Date

I am a Senior Laboratory Technician at the department of Horticulture and Crop Production of the School of Agriculture and Technology.

I assist in conducting experiment and writing of reports. I take students through tutorial session and run data analysis using statistical package.

University of Energy and Natural Resources; Sunyani- Ghana

September, 2018 – August, 2019

I was a national service personnel (teaching assistant).

Working with such a noble institution gave me chance to sharpen my skills in; data analysis using the GenStat, power point presentation and writing of research papers.

Maranatha Educational Complex; Berekum- Ghana

September, 2013 – August, 2014

I worked as a pupil teacher for a year.

My working there helped me to acquire much knowledge in teaching and also personal confidence.

POSITIONS HELD

2021-Date – **Vice President**, Africa Development Advisory Group (ADAG), Accra, Ghana

2012-2013 – **Dining Hall Prefect**, Presbyterian Senior High School, Bechem, Ahafo Region-Ghana.

CURRICULUM VITAE OF SHADRACK ASOMAH

INTERNSHIPS

1. VIS project – Training of trainers in Bio-entomology; Sunyani – Ghana

August, 2019 – September, 2019

I worked under the supervision of Prof Obeng Ofori and Dr. Jacob Paarechuga Anankware in training farmers in African palm weevil larva (*akokono*) rearing, black soldier fly and the use of biological means to control insect pests on their farms without the use of synthetic chemicals.

2. Crop Research Institute of Ghana (CRI); Kumasi- Ghana

January, 2017 – April, 2017

I worked with a hardworking team under the Root and Tuber division. My working there helped me to gain more knowledge in the characterization and cultivation of root and tuber crops (yam).

3. USAID – ADVANCE Project; Sunyani – Ghana

June, 2017 – August, 2017

I worked with USAID under ADVANCE project as an intern. My work there was to help Out Businessmen (OB's) in maize business to keep appropriate records. My work there helped me to gain more knowledge about maize value chain in the Brong Ahafo Region.

4. Ask God Farms

Dormaa Ahenkro – Ghana.

June, 2016 – August, 2016

I worked with a renowned vegetable farmer in Dormaa Ahenkro - Ghana during my three months' vacation farm practice. My working there helped me to acquire more knowledge in vegetable production (cabbage).

PUBLICATIONS

- **Asomah, S.**, Anankware, J. P., & Adjei, R. R. (2021). Impact of organic and inorganic fertilizers on the growth and yield of cabbage in Ghana. *International Journal of Horticultural Science*, 27, 46-49.
- Baffour, E. K., Debrah, S. K., Maaleku, B. K., **Asomah, S.**, & Adjei, P. Y. (2021). Impact of different packaging materials on the fruit quality of tomatoes from Akumadan (Offinso North District, Ashanti region of Ghana) *Agricultural Science Research Journal* 11(6):147-153
