

Curriculum Vitae: Gifty Serwaa Mensah

Gifty Serwaa Mensah
(PhD, MSc, BSc)
Born 23/06/1982 at Pramso, Ghana

Ghanaian

C/o Positive Chain Reactions
P. O. Box KS 16697
Adum – Kumasi

Phone: (+233) 506977827 / 266608463; **Email:** gmens82@gmail.com

Research and Other Areas Interest

I have research interest in a number of areas but I am presently researching energy access indicators. Some of these areas of interests where I have been previously involved with include:

- Waste to energy/ waste management
- Life cycle analysis
- Waste management systems
- Energy data
- Energy planning
- Energy policy
- Climate change and environmental health

<u>EDUCATIONAL BACKGROUND</u>	
08/2013 –2020	<p>Doctor of Philosophy (PhD) Development Studies Kwame Nkrumah University of Science and Technology, Kumasi, Ghana. Thesis Title: Measuring Energy Access: A Multidimensional Approach. Thesis Description: The thesis researched into the measurement of energy access status that goes beyond the binary approach of 'have' and 'have not'. The main objective was to develop a framework that incorporates other dimensions such as quality, adequacy and others.</p>
08/2009– 06/2011	<p>Master of Science (MSc) Industrial Ecology Norwegian University of Science and Technology, Trondheim, Norway Thesis Title: Resource Recovery from Municipal Solid Waste in Kumasi Thesis Description: The thesis assessed the possibility of recovering material and energy resources from solid waste in Kumasi using life cycle analysis and cost benefit analysis.</p>

09/2001 – 05/2005	<p>Bachelor of Science (BSc) Chemical Engineering Kwame Nkrumah University of Science and Technology, Kumasi, Ghana</p> <p>Project Title: Production of radial tyres from latex Project Description: The thesis was concerned with designing a production plant for radial tyres from locally sourced latex</p>
01/1998 – 12/2000	<p>Senior Secondary Certificate, General Science St. Louis Secondary School, Kumasi, Ghana</p>
<u>WORKING EXPERIENCE</u>	
10/2021 – Present	<p>Organization: Regional Centre for Energy and Environmental Sustainability. University of Energy and Natural Resources, Kumasi</p> <p>Position: Research Fellow</p> <p>Job Description: Conduct Research, Assess, interpret and evaluate outcomes of research. Develop ideas for generating income and promoting research area. Develop ideas for application of research outcomes. Teaching and student assessment.</p>
09/2018 – 01/2021	<p>Organization: Mechanical Engineering Department / The Brew-Hammond Energy Centre, Kwame Nkrumah University of Science and Technology</p> <p>Position: Part-time Tutor, Energy and Environment</p> <p>Job Description: Teaching online masters students on the links between energy and environment; conducting and examinations and marking of scripts.</p>
05/2016 – 04/2018	<p>Organization: The Brew-Hammond Energy Centre, Kwame Nkrumah University of Science and Technology</p> <p>Position: Assistant Project Coordinator (Africa Low Emissions Development Strategies (LEDS) project)</p> <p>Job Description: Assist in ensuring the smooth running and achievement of project objectives within set times and within budget. Duties included report writing programmes organization</p>

06/2013 – 05/2014	<p>Organization: The Brew-Hammond Energy Centre, Kwame Nkrumah University of Science and Technology</p> <p>Position: Project Coordinator (Renewable Energy and Energy Efficiency Partnership (REEEP) sponsored project on energy access)</p> <p>Job Description: -Ensuring the smooth running and achievement of project objectives within set times and within budget. -In charge of all correspondence with project sponsors and the liaison between project sponsors (REEEP) and The Energy Centre</p>
	-In charge of quarterly and overall project reports
07/2013 – 12/2014	<p>Organization: The Brew-Hammond Energy Centre, Kwame Nkrumah University of Science and Technology</p> <p>Position: Project Coordinator (United Nations Development Programme (UNDP) sponsored project on energy access)</p> <p>Job Description: -Ensuring the smooth running and achievement of project objectives within set times and within budget. -In charge of all correspondence with project sponsors and the liaison between project sponsors (REEEP) and The Energy Centre -In charge of quarterly and overall project reports</p>
12/2008 – 08/2009	<p>Organization: United Bank for Africa, Kumasi, Ghana</p> <p>Position: Customer Service Officer</p> <p>Job Description: Responsible for handling customer complaints, opening and closure of accounts</p>
03/2008 – 12/2008	<p>Organization: United Bank for Africa, Accra, Ghana</p> <p>Position: Account / Relationship Officer</p> <p>Job Description: -Responsible for soliciting and maintaining customer accounts -Giving out and monitoring of loans</p>
01/2008 – 03/2008	<p>Organization: Oppong Memorial Secondary School, Kokofu</p> <p>Position: Teacher</p> <p>Job Description: Teach Chemistry and Integrated Science</p>

11/2007 – 12/2007	Organization: Gold Street Real Estate Consult, Kumasi Position: Supervisor Job Description: Responsible for traffic attendants' adherence to company's rules and regulations
01/2006 – 08/2006	Organization: Jachie – Pramso Secondary School, Jachie, Ashanti Region Position: Teacher (National service personnel) Job Description: Teach Integrated Science
08/2001	Organization: St. Michael's Hospital, Pramso, Ashanti Region. Position: Research Assistant Job Description: Distributing questionnaire on organizational health insurance and analysing the data obtained.

<u>PERSONAL SKILLS</u>	
	<ul style="list-style-type: none"> • Self-motivated, hardworking, result-oriented and principled • Good interpersonal skills and excellent planning skills. • Working on my own initiative or in a team and being helpful to all. Reliable, trustworthy, eager to learn and adaptable. • Proposal writing • Project coordination • Computer literacy
<u>CERTIFICATES</u>	
30/05/2016 – 03/06/2016	Renewable Energy Project Analysis The Energy Center, College of Engineering, KNUST
23/05/2016 – 27/05/2016	Biogas Systems Design and Construction The Energy Center, College of Engineering, KNUST

16/05/2016 20/05/2016	–	Design and Installation of Stand-Alone Solar Photovoltaic Systems The Energy Center, College of Engineering, KNUST
26/05/2015– 19/06/ 2015		Gender Equality and Energy (e-course) The einstitute for development – The World Bank
01/06/2013– 12/06/2013		“Green Industry: Moving Towards the Industry of the Future”. UNIDO Institute for Capacity Development (Vienna – Austria) & Central European University, Budapest – Hungary ((Phase 2: Face-to-face)
26/03/2012– 23/04/2012		“Green Industry: Moving Towards the Industry of the Future”. UNIDO Institute for Capacity Development (Vienna – Austria) & Central European University, Budapest – Hungary (Phase 1: Online
