

Call for Applications to Undertake Academic Exchange Programmes in Spain

Background

The University of Energy and Natural Resources (UENR), Sunyani is a partner on Erasmus+ International Credit Mobility 2022 (called Erasmus+ KA171 2022 project), hosted by the University of Jaen (UJA) in Spain. The Erasmus+ KA171 programme supports mobility (for both students and staff between UJA and UENR (and other universities).

The University of Jaen (UJA) is a public university located in Jaen, Spain that was founded in 1993, with approximately 17,000 local and international students studying undergraduate and graduate programmes in different fields in both English and Spanish. An overview and a list of their programmes can be found at:

- <https://www.ujaen.es/internacional/en/internacional/informacion-academica/asignaturas-en-otros-idiomias> (overview)
- <https://uvirtual.ujaen.es/pub/es/informacionacademica/catalogoguiasdocentes/p/patie/2021-22> (list of programmes)

The Call

Applications to admit the first cohort of students to undertake the mobility from **January to July 2023 at the University of Jaen** is now open. This call is open to undergraduate, master's and PhD students studying at UENR.

Interested applicants should review the requirements below, and if interested, they may apply by submitting all the requested documents.
